

PATIENTS WITHOUT INSURANCE

We request that 100% of the first visit be paid at the time of the visit. On other visits, payment may be made at the end of the week if you sign a credit guarantee form. We are happy to accept your check, Master Card or Visa.

GROUP OR INDIVIDUAL INSURANCE

Your insurance is an agreement between you and your insurance company, not between your insurance company and our office. We cannot be certain if your insurance covers Chiropractic, although most policies do provide coverage. The amount they pay varies from one policy to another. When possible, we will call to verify benefits on your insurance; however, the benefits quoted to us by your insurance company are not a guarantee of payment. As a courtesy to you, our office will complete any necessary insurance forms at no additional charge, and file them with your insurance company to help you collect. It is to be understood and agreed that any services rendered are charged to you directly and you are personally responsible for payment of any non-covered services, deductibles or co-pays. You may also pay the full amount due each day thereby qualifying for our Time of Service Reduction in fees. You may then submit the bill to your insurance carrier for reimbursement.

MEDICARE

We do accept assignment from Medicare. The check is usually sent directly to our office in payment of the services that Medicare will cover which for Chiropractors is ONLY manual manipulation of the spine. Medicare pays 80% of the allowable fee once the deductible has been met. You are required to pay the deductible and the remaining 20%. All other services we provide are NON-COVERED. These services include, but are not limited to, x-rays, examinations, therapies, orthotics, supports, and/or nutritional supplements. Medicare patients are fully responsible for charges of non-covered services. Secondary insurance may or may not pay for these non-covered services. Our office completes and files the forms for Medicare at no charge.

MEDICAID

We do accept assignment from Medicaid. The check is usually sent directly to our office in payment of the services that Medicaid will cover which for Chiropractors is ONLY manual manipulation of the spine and initial office exam. All other services we provide are NON-COVERED. These services include, but are not limited to, x-rays, therapies, orthotics, supports, and/or nutritional supplements. Medicaid patients are fully responsible for charges of non-covered services.

SECONDARY INSURANCE

If payment has not been received in full by the **fourth (4)** month following the completion of care a 10% interest will accrued on any outstanding balances.
